

Wall Street Exchange

Summer Network Volunteer Application

The **Summer Network** is a group of dedicated professionals who agree to be a resource to the students during the **Wall Street Exchange (WSE)** program. The Wall Street Exchange is an eight-week program coordinated by the FWA's College Connections Committee. It is designed to augment the summer internship work of select qualified students between their junior and senior years of college who are employed in the NY metropolitan area. The goal of the program is to provide students with the skills necessary to execute a successful job search for a full time job upon graduation from college and to think strategically about their career choices. This objective is accomplished through a series of workshops that address specific skills including professionalism, leadership, resume writing, interview techniques, career development and career choice.

The program additionally emphasizes the role a professional network serves in career development. That is where the Summer Network comes in! Contact information of the Summer Network are made available to students who are encouraged to contact the Network members for career advice, informational interviews, and resume critiques. All of this is done within the confines of good business etiquette.

The program is intended to be compatible with the busy schedules dictated by today's market; yet it also enables all the participants to make lasting connections and friendships. The Summer Network is invited to attend WSE summer events and members are encouraged to reach out to students who they would like to learn more about.

PLEASE SUBMIT BY: May 27, 2008
Program starts: June 13th

Mail/Fax or Email completed form to:
Wall Street Exchange Coordinator
Financial Women's Association of New York
215 Park Avenue South, Suite 1713
New York, NY 10003

OR Email completed form or questions to:
Lene Skou (lene_skou@baruch.cuny.edu)
