President's Message to the FWA Community - July 2010

Dear Financial Women's Association Members and Friends,

Welcome to the FWA Year 2010-2011!

I am so excited about all the programming plans that are developing for the year.

So far, two unique member-only programs have been planned:

- First, we will be partnering with the **IvyLife** community to co-host a morning networking coffee on **July 28th**. I hope that you will join me in taking advantage of this special opportunity to expand your network. [Click to register.](#)
- Also, the FWA has the pleasure and privilege of bringing you an evening with much sought-after **Mohammed El-Erian** of PIMCO on **October 25th**. Registration is coming soon.

Susan Ganz
FWA President

However, while promoting our new mission of **Connecting, Educating, and Advancing**, we don't want to overlook fun! I recognize that you all have many demands on your time and energy. We aim to make your FWA experiences festive and social while impacting your professional and personal bottom lines.

And, if you have not done so already, please remember to [renew your membership](#) so you can be sure to take advantage of all the FWA offerings and full member benefits.

If are not yet a member, I encourage you to take the time to explore our organization and consider investing in yourself. We will be glad to discuss the membership experience with you personally at any time.

I look forward to engaging with all of you and making FWA 2010-2011 our best year yet!

Warm regards,

Susan Ganz
